

Autumn 1  
All about me

Autumn 2  
A Winter's Tale

## Hoglets EYFS Autumn Term 2025

### Topics for the Autumn Term

**All about me** - We will be learning about ourselves and others. Together we will look at similarities and differences, families and those that are special to us.

**A Winter's Tale**- During the lead up to Christmas we will investigate cold environments, seasonal weather, animals from Arctic regions as well as Christmas stories and traditions and celebrations around the world.

### **English -**

Reading for pleasure and enjoyment will lie at the heart of our English curriculum and over this term we have some lovely books to share with the children including 'Who are you', 'The Snowflake', 'The same but different too', and 'Little Robin Red Vest'. The children will take part in group discussions and will be encouraged to share their own views. We will be re-telling, inventing and adapting stories and creating story maps. The children will also be learning a variety of topic related rhymes, poems and songs. We will be learning lots of new vocabulary.

**Maths** - In the autumn term we will be focusing on the journey of developing understanding of quantities- examining groups of more/fewer and the same. We will be looking at this in different contexts, using a wide range of resources. We will also be supporting the children to develop their knowledge of shape space and measure, through opportunities to explore and build with different shapes and objects of different sizes.

-Forest school is a TUESDAY AFTERNOON. Please send children in with their forest school clothes in a bag-We will be outside in all weathers so dress for the weather of the day.

-Please pack a full change of clothes every day (Just in case) as children get very busy and excited often forgetting to go to the toilet until it is too late.
