Sports Premium Funding: Planned 2026-2027

Allocation- £13,924.77 (£16,600 less £2,675.23 deficit from 2025-2026)

At The St Gilbert of Sempringham C of E Primary School we believe that all pupils should have the opportunity to engage in a range of different sporting activities, delivered to the highest standard. We aim to increase children's enjoyment, confidence and participation in sporting activities through improvement of skills and widened experiences. Linked to this, we aim to ensure that all of our children recognise that exercise and physical activity is an important part of wellbeing and that, as well as gaining physical skills, they develop their understanding of what it means to be healthy and how they can incorporate physical activity and make important lifestyle choices in order to be the very best versions of themselves. This in turn will impact upon mental health, motivation, self-regulation and will promote our school vision to sow seeds; grow together and reach high!

INTENT		IMPLEMENTATION			IMPACT	
Key Indicator/ Objective	**Purpose**	**Allocation**	**Time**	**Planned Spending**	**Evaluation/ Impact**	**Steps to ensure sustainability**
